5<sup>th</sup> June 2014

Dear Parents,

Please find attached to this letter a copy of the OFSTED report for Sexton's Manor School and the review findings for the Basic Skills Quality Mark Assessment, both of which took place in May.

The Governors and Headteacher are delighted with both reports and the whole school community is to be congratulated on the standards, progress and efforts that have been made. The many highly positive comments in so many areas are a great credit to the school. I would particularly like to thank all the staff for their commitment and hard work. Every year OFSTED standards get higher and higher and the school has met the challenge very well indeed.

The pupils are to be congratulated on their standards, progress and behaviour and it is noted in the report. Thank you, too, to parents who spoke to the Inspectors or completed the survey forms.

Our achievements academically are high and we are also proud of the team culture reflected throughout the reports.

OFSTED recognise;

- The school's spiritual, moral, social and cultural life as a strength and important life skills learnt through links with Riverwalk special school and Risby Nursing Homes
- Outstanding progress and Leadership in the Foundation Stage
- Outstanding progress made by some children in Key Stage 1, years 3 and 4
- Outstanding written work particularly from the more able

The Basic Skills Quality Mark Assessor's final sentence really sums us up;  
"The inclusive ethos of this highly professional learning community ensures high quality provision, progress and practice is maintained."

We are already addressing the areas raised and can go forward with great confidence for sustained improvement in the coming years. We have an exciting future ahead. Congratulations, well done and thank you to all at Sexton's Manor School.
